DISTRIBUTION LIST May 2012

The **AATTC Distribution Service** aims to supply as many current Australian timetables and information brochures as possible. It also provides historical material from Australia and overseas as it becomes available.

Some of the main items of interest in this month's Distribution List include:

- Some new Brisbane train timetables (pdf files only) (Item 1).
- Updated CityRail Working Timetables (pdf files only) (Item 2).
- Full set of Melbourne Metro train timetables for 22 April 2012 (Item 5).
- Some the VicRail suburban, interurban and country public timetables issued in 1981 and 1982 in unusual formats, which, happily, were not retained for very long (Items 11 21). These have come from the voluminous collection of AATTC Melbourne member Brett Leslie.
- Recent timetables from Transit Graphics for bus services in Western Sydney, Central Coast, Lower Hunter and Riverina regions (Items 25 - 29, 32 - 34, 36).
- The first batch of Melbourne bus timetables to match the train timetable changes on 22 April 2012 with the new PTV covers (Items 37 39).
- Recent bus timetables from Hobart (Item 42) and Perth (Items 43 45), plus Perth brochures (Items 62, 63).
- A compendium of CityRail travel statistics a very useful and informative document (Item 49)

May 2012 items were supplied by: Adrian Dessanti, Scott Ferris, Hilaire Fraser, Joe Friedman, Frank Goldthorpe, Stephen Gray, Peter Hobbis, Brett Leslie, Michael Marshall, Tony McIlwain, Max Michel, John Mikita, Len Regan, Lourie Smit, Stephen Ward, David Whiteford, Brendan Whyte, AATTC Auctions, Busways, Rover Coaches.

If there are more orders than the available stock, a ballot will be held on 19 May 2012.

Credit for the cost of the item will be granted to those who are unsuccessful in the ballot.

Discounts are available to AATTC members:

- 5% for orders over \$10.00
- Additional 5% for large orders over \$30, subject to adequate coverage of costs.

Contributions to the Distribution Service are always welcome, and can be sent to the Distributon Officer at PO Box 21 Yea, Victoria, 3717. There are several ways in which this can be done.

- If you can send single copies of timetables and brochures, arrangements can then usually be made to request more copies from the operator.
- If you can obtain multiple copies, usually 10 copies are needed to cater for orders, but 15 copies are needed if the item is likely to be popular.

You can request to have the cost of postage for sending supplies for the Distribution Service granted as credit to your account. If you are not sure about these arrangements, please contact the Distribution Officer by phone or email (details on page 1).

Your comments and suggestions about the Distribution Service are appreciated.

They can help to improve the service for all members of the Australian Association of Timetable Collectors.
