DISTRIBUTION LIST
June 2012

The **AATTC Distribution Service** aims to supply as many current Australian timetables and information brochures as possible. It also provides historical material from Australia and overseas as it becomes available.

The feature item this month is **Timetables on CD 34**. As well as the traditional current **Public Timetable** Book for all trains in **Britain**, it also contains the **Working Timetables** for all **NetworkRail** trains. This is the first time we have been able to make these Working Timetable files available, thanks to the initiative of AATTC member in England, Gordon Dudman (Item 24).

We are also proud to be able to offer the rest of the **Public Transport Victoria bus timetables** introduced to match the train timetable changes on 22 April 2012. The first 11 of these timetables were included in the May 2012 Distribution List. The remaining **107 timetables** are included in this month's List (Items 37 – 60, 63). If you order all or most of these timetables, you get a 10% discount on the total value of your order.

But yet, there's more!
- **V/Line** Staff Reference **Working Timetable** from 22 April 2012 (Item 10). It also contains detailed operational information.
- Full set of **V/Line card timetables** from 22 April 2012 (Items 11- 15).
- **Adelaide tram Working Timetables** from 1 April 2012 (Items 21, 22).
- New **Transperth train timetables** from 22 April 2012 (Item 23).
- Full set of **ACTION weekday and weekend bus timetables** from 28 May 2012 (Items 35, 36).

If there are more orders than the available stock, a ballot will be held on 16 June 2012.
Credit for the cost of the item will be granted to those who are unsuccessful in the ballot.
Discounts are available to AATTC members:
- 5% for orders over $10.00
- Additional 5% for large orders over $30, subject to adequate coverage of costs.

Contributions to the Distribution Service are always welcome, and can be sent to the Distributon Officer at PO Box 21 Yea, Victoria, 3717.
There are several ways in which this can be done.
- If you can send single copies of timetables and brochures, arrangements can then usually be made to request more copies from the operator.
- If you can obtain multiple copies, usually 10 copies are needed to cater for orders, but 15 copies are needed if the item is likely to be popular.
You can request to have the cost of postage for sending supplies for the Distribution Service granted as credit to your account.
If you are not sure about these arrangements, please contact the Distribution Officer by phone or email (details on page 1).

Your **comments and suggestions** about the Distribution Service are appreciated.
They can help to improve the service for all members of the Australian Association of Timetable Collectors.
