## DISTRIBUTION LIST August 2012

The **AATTC Distribution Service** aims to supply as many current Australian timetables and information brochures as possible. It also provides historical material from Australia and overseas as it becomes available.

These are two feature items in this month's Distribution List.

- **London Underground Train Working Timetables** for all 10 lines, both the current standard timetables and the expanded timetables during the Olympic Games. The pdf files for these timetables are available on **Timetables on CD 35** (Item 36). Our thanks go to AATTC members Ian Brady and Geoff Lambert for their investigative efforts in sourcing these timetables.
- **A Discussion Paper and Survey on the future of AATTC** (Item 101). This provocative document has been prepared by AATTC Secretary Geoff Lambert in response to discussions at last year's AGM and stimulated by AATTC Public Officer Paul Nicholson. It recognises that the world of timetables is changing rapidly, that AATTC needs to acknowledge this and confront the real issues regarding its role, functions and survival in the immediate future.

Those who receive this Distribution List by email will also receive the Discussion Paper and Survey files. Other members can order the documents in either print or file formats from the Distribution List, and they are free. The AATTC Executive strongly urges **every member** to obtain the documents, digest the issues and **respond to the survey**.

**August 2012 items** were supplied by: Barry Blair, Ian Brady, Ian Cooper, Adrian Dessanti, Scott Ferris, Hilaire Fraser, Frank Goldthorpe, Stephen Gray, David Hennell, Robert Henderson, Peter Hobbs, Les Hyland, Geoff Lambert, Brett Leslie, Ben Lewis, Geoff Mann, Michael Marshall, John Mikita, Tony McIlwain, Dennis McLean, Tony McIlwain, James Ng, Len Regan, Derek Scrafton, Lourie Smit, Peter Walhouse, Roger Wheaton, AATTC Auctions, Public Transport Victoria.

### Changes to the Distribution Service

I have been the AATTC Distribution Officer since December 2004, and I have thoroughly enjoyed my time in this role. I am also extremely grateful to all those members and friends who have supported me and contributed to the ongoing success of the List.

However, after some considerable thought about various options available to me, I have decided to relinquish my position as Distribution Officer after the AGM in October this year. The replacement Distribution Officer can run the Distribution List the way he wishes – he doesn't have to replicate what I have done.

I will still contribute items for the Distribution List, especially from the large amount of material in storage. I am also keen to advocate more sharing of the Distribution List tasks to ease the burden on the Distribution Officer. There could also be a new role for someone to handle the Distribution List items received and sent by email.

All the members funds held in credit accounts are secure, and they will be transferred to the new Distribution List arrangements or repaid in full.

If you are interested in participating in a Distribution Service team, please discuss it with me or with one of the AATTC Committee members.

**Send your order** for Distribution List items to Len Regan, Distribution Officer:

- **by mail to:** PO Box 21, Yea Vic 3717
- **by email to:** aatc.do@hunterlink.net.au
- **by phone to:** 0409 209 114, or 03 5797 2493

Compiled 29 July 2012
