DISTRIBUTION LIST December 2012

The **AATTC Distribution Service** aims to supply as many current Australian timetables and information brochures as possible. It also provides historical material from Australia and overseas as it becomes available.

How the Distribution Service functions

New arrangements for Distribution Service were approved at the November 2012 AATTC Committee meeting.

A new position of Distribution Manager has been created. He is responsible for collating the various compilations of Distribution List items, receiving and recording the orders, and allocating them to the various Distribution Officers for despatch. This position is currently vacant, and anyone who may be interested in it should contact the President, Victor Isaacs. For the time being, Treasurer Len Regan is acting as Distribution Manager.

There are several Distribution Officers around the country who collect material for the Distribution List, compile the Distribution List for these items, and despatch the orders for these items. Hence, members will receive their orders from several different sources.

The Distribution Officers responsible for Distribution List items are shown by a code in the first column of the List.

C	Geoffrey Clifton	Sydney	Sydney train and bus timetables
G	Peter Graham:	Perth	Email despatch of timetable files
H	Hilaire Fraser:	Sydney	Requests to operators for print timetables, despatch of these supplies
J	Joe Friedman:	Gold Coast	Brisbane train timetables (print & file), Gold Coast Light Rail information (file)
M	Michael Marshall:	Melbourne	PTV timetables, English public transport guides, timetables and brochures
P	Peter Hobbis:	Adelaide	Adelaide timetables and brochures
R	Robert Henderson:	Sydney	Sydney train and bus timetables
W	Roger Wheaton:	Adelaide	South Australian timetables and brochures

The Distribution Officers are supported by several members who assist them in the collection of timetables and brochures. These people are listed in the notes at the end of the Distribution List on page 4.

If you would like to become a Distribution Officer and be actively involved in the operation of the Distribution List, please contact Len Regan for a discussion.

The ordering and payment systems for the Distribution List remain the same. Payment for orders by direct bank deposit and retention of a credit account is encouraged. All credit balances carry over into the new arrangements. The Treasurer will handle records of payments and the management of individual credit accounts.

The new arrangements for the AATTC Auctions will be incorporated into the Distribution Service in January 2013.

Contributions to the Distribution Service are always welcome. Please contact the Distribution Manager (currently the Treasurer) for information on where to send the material. Contact details are on page 1.

There are several ways in which this can be done.

- If you can send single copies of timetables and brochures, arrangements can then usually be made to request more copies from the operator.
- If you can obtain multiple copies, usually 10 copies are needed to cater for orders, but 15 copies are needed if the item is likely to be popular.

You can request to have the cost of postage for sending supplies for the Distribution Service granted as credit to your account.

If you are not sure about these arrangements, please contact the Distribution Manager by phone or email (details on page 1).
