DISTRIBUTION SERVICE

DISTRIBUTION LIST

AUCTION 39

March 2013

The monthly **AATTC Distribution Service** document includes the **Distribution List** and the **Auction Catalogue**.

Feature items this month: **Distribution List:** PTV bus timetables issued on 18 November 2012: Items 18 - 32, 34 - 36.

Auction: Suburban Rail public timetables: page 6.

Ordering: You can order by post or by email.

Distribution List: Send your order to Distribution Manager, PO Box 21, Yea, Vic 3717, or to aattc.do@hunterlink.net.au.

Auction: Send your order to AATTC Auctioneer, 19 Yara Cr, Maryland, NSW 2287, or to geoffrey.hassall@gmail.com.

If ordering for both, send the Distribution Service document to the Distribution Manager and he will scan the Auction page and send it to the Auctioneer by email.

Costs: For the **Distribution List**, each item is allocated a number of cost points, each worth 25 cents. Add up the cost points for the items you order, and divide by 4 to work out the total dollar value of your order.

For the **Auction lots**, enter your bid in whole dollars in the Bid column. It must be at least as much as the dollar value shown in the Reserve column. If you wish, you can also add an alternate bid that you are prepared to pay for the lot in the Alt Bid column. The Auctioneer will advise you, preferably by email, of the auction items where your bid was the highest, and the total value of your order. See specific details for the Auction process on page 6.

The cost of packing and postage is included in both the Distribution List costs and in the Auction bid values.

Despatch: Distribution List items will be despatched by the Distribution Officers who hold the stock of the items ordered.

Auction items will be despatched to successful bidders by the Auctioneer after payment has been made.

Payment: All payments and account balances are handled by the AATTC Treasurer.

The preferred method for payment is for you to maintain a credit account with AATTC. Your Distribution List and Auction costs can be deducted from this account. You can top-up the account by direct deposit to AATTC at Westpac: BSB 034 083, account number 16 3088.

You can also pay by cheque or with postage stamps, sent to AATTC Treasurer, PO Box 21, Yea, Vic 3717, or by PayPal to aattc.do@hunterlink.net.au.

If you submit items for inclusion in the Distribution List, you can claim the costs of sending them to a Distribution Officer. The value of these costs is added to your credit account.

A discount of 5% for AATTC members is applied to Distribution List orders over \$10 and Auction orders over \$30.

Specific Instructions for the AATTC Auctions

All values are in whole dollars.

For the Lots of your choice, write your bid in the 'Bid' column. If this is the only bid for a Lot, you will pay this price.

If there are multiple bidders, but no Alternate Bids for a Lot, the Lot is sold to the highest bidder at that price.

You can enter an Alternate Bid that you are prepared to pay in the 'Alt Bid' column.

If there is more than one bid for a Lot, the Alternate Bids are considered, and the item is sold to the highest Alternate Bid at that price.

All bid values include the cost of postage to the successful bidder.

If there is more than one equal bid, each bidder will be contacted by the auctioneer, preferably by email, and given the opportunity to raise their bid.

Initial bids must be submitted by **20 March 2013**.

Payment must be made within 7 days of advice that your bid has been accepted, otherwise the bid will lapse.

You can submit items for inclusion in future Auctions - please contact the Auctioneer beforehand.

Please include a list of the items submitted, and whether as a vendor or as a donation. Vendors receive 75% of the successful bid value.

Vendor payment is made to your bank account, or can be credited to you AATTC Distribution Service account.

The topic for the April 2013 Auction will be **Country and Interstate public train timetables**.
