AUSTRALIAN TIMETABLE ASSOCIATION

AUCTION 78

Information and Instructions

Auction Details:

Bids: Send bids to ATA Auctioneer Geoff Hassall by post to 19 Yara Cr, Maryland, NSW 2287, or by email to geoffrey.hassall@gmail.com.

All values are in whole dollars. Initial bids must be received by Monday 20 June 2016.

If submitting your bids by post, it is essential that you advise the Auctioneer by phone or email in case the postal delivery is delayed.

For the Lots of your choice, write your bid in the 'Bid' column. It must be not less than the amount shown in the Reserve column. If this is the only bid for a Lot, you will pay your bid price. Low bids are encouraged if you have only a modest amount to outlay,

as frequently items do not sell at much higher than the reserve price.

If there are multiple bidders, but no Alternate Bids for a Lot, the Lot is sold to the highest bidder at that bid price.

You can enter an Alternate Bid that you are prepared to pay in the 'Alt Bid' column.

If there is more than one bid for a Lot, all the Alternate Bids for that Lot are then considered. The successful bidder is the person with the highest Bid (Basic or Alternative) at a price that is the lesser of this highest Bid or 20% above the second highest Bid, unless your basic bid is higher, in which case you pay your basic bid. Your basic bid is always assumed to be the amount you are prepared to pay regardless of competition, and is the minimum you will be charged, if successful.

If there is more than one equal bid, each bidder will be contacted by the auctioneer, preferably by email, and given the opportunity to raise their bid.

The Auctioneer will advise you, preferably by email, of the auction items where your bid was the highest, and the total value of your order. This will be done as soon as practicable after the closing date for bids, which is generally the 20th of the month in which the auction was held.

ATA members are given a discount of 5% when the total of successful bids is more than \$30, calculated to the nearest 5 cents.

The **cost of packing and postage** to the successful bidder **IS INCLUDED** in the **Auction bid values**. This may vary between the cost of a small envelope and stamp to a large, 5kg posting bag, which currently retails at \$17.10 each. The size of the reserve price will reflect this among other things like age and scarcity.

Payment must be received within 7 days of advice that your bid has been accepted, otherwise the bid will lapse. This applies especially in June: payment must be received by 30 June so that our end-of-year accounts can be finalised. Payment by EFT or PayPal is strongly recommended. If paying by cheque, payment must be posted by 22 June 2016.

Auction items will be despatched to successful bidders by the Auctioneer after payment has been made.

Lots unsold after inclusion in two Auctions will be allocated to the Distribution List unless the vendor requests their return.

The planned topic for the next Auction is Country and Interstate Train Timetables.

Payment:

All payments and account balances are handled by the ATA Treasurer, Len Regan.

Payments can be made:

with postage stamps (any denominations

by cheque payable to Australian Timetable Association

by PayPal to ATA at lenregan.ata@gmail.com

or by EFT bank deposit to ATA: Westpac BSB 034083, account 163088.

The preferred method for payment is for you to maintain a credit account with ATA. Your Distribution List and Auction costs can be deducted from this account. You can top-up the account by any of the payment methods.

Cheques can be posted direct to Len Regan, Treasurer, at PO Box 21, Yea, Vic, 3717.

If paying by PayPal or EFT, please send an email to the Treasurer at lenregan.ata@gmail.com and include your name in the message.

Contributions:

Items in this Auction include contributions from Robert Henderson, Vance Findlay and Ian Wall Collection.

Items for the Auction are always welcome.

Please contact the Auctioneer at the above address or by phone on **02 4955 9013** to discuss whether the material you have is suitable for the Auction. In general, material from 2000+, unless rare or unusual, is unsuitable for the auction, but may be appropriate for the Distribution List.

You can choose to donate your material to ATA, in which case any profit made is invested in the on-going work of ATA. Alternatively, you can choose to supply material on consignment, in which case you become the vendor. Auction vendors receive 75% of the successful bid value, preferably credited to their Distribution Service account. The Auctioneer reserves the right to nominate the reserve price, in discussion with you if you wish. Donors of material can request that ATA reimburse them for the cost of posting material to ATA. This option is not available to vendors.

Manager:

Auctioneer Geoff Hassall, 02 4955 9013, compiles the Auction Catalogue, assesses bids, and despatches lots to successful bidders.

Treasurer Len Regan, 0409 209 114, processes all payments for the Auction.
