# AUSTRALIAN TIMETABLE ASSOCIATION

AUCTION 91

JULY 2017

## Information and Instructions

---

### Auction Details:

**Bids:** Send bids to ATA Auctioneer **Geoff Hassall** by post to **2/30 Vale St, Birmingham Gardens, NSW 2287**, or by email to **auction@austta.org.au**.

All values are in whole dollars. Initial bids must be received by **5pm Thursday 20 July 2017**.

If submitting your bids by post, you should advise the Auctioneer by phone or email in case the postal delivery is delayed.

For the Lots of your choice, write your bid in the 'Minimum Bid' column. It must be not less than the amount shown in the Reserve column. You are encouraged to also enter a Maximum Bid that you are prepared to pay in the 'Maximum Bid' column.

How is how the processing of the bids works.

- If your minimum or only bid is the highest bid received, then that bid is successful.
- If there are multiple bids, and there are no maximum bids higher than your minimum bid, then your minimum bid is successful.
- Otherwise, if your maximum bid is the highest of all other bids, your bid is successful and you will pay the value of the second highest other bid plus 20%, or your maximum bid, whatever is the lesser, but not less than your minimum bid..
- If there is more than one equal highest bid, each bidder will be contacted by the auctioneer, preferably by email, and given the opportunity to raise their bid.

The Auctioneer will advise you, preferably by email, of the auction items where your bid was the highest, and the total value of your order. This will be done as soon as practicable after the closing date for bids, which is generally the 20<sup>th</sup> of the month in which the auction was held.

ATA members are given a discount of 5% when the total of successful bids is more than \$30, calculated to the nearest 5 cents.

The cost of packing and postage to the successful bidder is included in the reserve price, which also takes into account other things like age and scarcity.

Auction items will be despatched to successful bidders after payment has been made.

Lots unsold after inclusion in two Auctions will be allocated to the National Timetable Collection or the Distribution List unless the vendor requests their return.

Future Auctions will be held when sufficient vendor material is available.

**Codes** used in the Auction Catalogue:

WTT: Working Timetable. A4, A5, A6, B5, B6, DL: Item is close to these standard paper sizes. Fcap: Foolscap.

EC: Excellent (mint) condition. VGC: Very good condition: only minor marks, tears or creases.

GC: Good condition: has some marks, tears or creases.

FC: Fair condition: has blemishes, but is still readable. PC: Poor condition: Has some pages damaged or missing.

### Payment:

**Payment must be received within 7 days** of advice that your bid has been accepted, otherwise the bid may lapse.

Payment by EFT or PayPal is strongly recommended.

All payments and account balances are handled by the ATA Treasurer, Len Regan.

Payments can be made:

with postage stamps (any denominations)

by cheque payable to Australian Timetable Association

by PayPal to ATA at **treasurer@austta.org.au**

or by EFT on-line or bank deposit to ATA: Westpac BSB 034083, account 163088.

The preferred method for payment is for you to maintain a credit account with ATA. Your Distribution List and Auction costs can be deducted from this account. You can top-up the account by any of the payment methods.

Cheques can be posted direct to Len Regan, Treasurer, at PO Box 21, Yea, Vic, 3717.

If paying by PayPal or EFT, please send an email to **treasurer@austta.org.au** and include your name in the message.

### Contributions:

Items in this Auction include contributions from the collections of Ken Butt and Eddie Hayman.

Items for the Auction are always welcome. Please contact Len Regan on **archives@austta.org.au** or by phone on 0409 209 114 to discuss whether the material you have is suitable for the Auction.

You can choose to donate your material to ATA, in which case any profit made is invested in the on-going work of ATA. Alternatively, you can choose to supply material on consignment, in which case you become the vendor. Auction vendors receive 75% of the successful bid value, preferably credited to their Distribution Service account. The Auctioneer reserves the right to nominate the reserve price, in discussion with you if you wish. Donors of material can request that ATA reimburse them for the cost of sending material to ATA. This option is not available to vendors.
