AUSTRALIAN TIMETABLE ASSOCIATION

AUCTION 133

JANUARY 2021

Auction Details:

Bids: Send bids to ATA Auctioneer **Geoff Hassall** by post to **2/30 Vale St, Birmingham Gardens, NSW 2287**, or by email to **auction@timetable.org.au**.

All values are in whole dollars. Initial bids must be received by **5pm Friday 29 January 2021**.

If submitting your bids by post, you should advise the Auctioneer by phone or email in case the postal delivery is delayed.

For the Lots of your choice, write your bid in the 'Minimum Bid' column. It must be not less than the amount shown in the Reserve column. Also enter the maximum you are prepared to pay in the 'Maximum Bid' column. All bids should be in whole dollars.

The reserve price is based on the age and scarcity of the Lot.

Winning bidders will be advised of the additional cost for the packing and postage of their bids.

This is how the processing of the bids works.

1. If your minimum or only bid is the highest bid received, then that bid is successful.
2. If there are multiple bids, and there are no maximum bids equal to or higher than your minimum bid, then your minimum bid is successful.
3. Otherwise, if your maximum bid is the highest of all other bids, your bid is successful and you will pay the value of the second highest other maximum bid plus 20%, or your maximum bid, whatever is the lesser, but not less than your minimum bid.
4. If there is more than one equal highest bid, each bidder will be contacted by the auctioneer, preferably by email, and given the opportunity to raise their bid.
5. If you submit only one bid for a Lot, it is treated as both a minimum bid and a maximum bid in this process.
6. If there is more than one copy available for a Lot, the first (best) copy is allocated according to the normal process. Subsequent copies are then allocated to the next highest bidder at the value of their maximum bid.

The Auctioneer will advise you, preferably by email, of the auction lots where your bid was successful, and the total cost of your order. This will be done as soon as practicable after the closing date for bids. Advice will also be sent to any unsuccessful bidders.

ATA members are given a discount of 5% when the total of successful bids is more than \$30, calculated to the nearest 5 cents.

Auction items will be despatched to successful bidders only after payment has been made.

Lots submitted by vendors which are unsold after inclusion in two Auctions will be allocated to the National Timetable Collection or the Distribution List unless the vendor requests their return.

Future auctions will include railway timetables, bus timetables, and maps and guides.
