DISTRIBUTION SERVICE

DISTRIBUTION LIST

AUCTION 37

January 2013

The monthly AATTC Distribution Service now includes the Distribution List and the Auction Catalogue.

As far as possible, the arrangements for ordering, payment and despatch of Distribution Service items has been streamlined, simplified and standardised.

Ordering: You can order by post or by email.

Distribution List: Send your order to Distribution Manager, PO Box 21, Yea, Vic 3717, or to aattc.do@hunterlink.net.au.

Auction: Send your order to Auctioneer, 19 Yara Cr, Maryland, NSW 2287, or to geoffrey.hassall@gmail.com.

If ordering for both, send the Distribution Service document to the Distribution Manager and he will scan the Auction page and send it to the Auctioneer by email.

Costs: For the Distribution List, each item is allocated a number of cost points, each worth 25 cents. Add up the cost points for the items you order, and divide by 4 to work out the total dollar value of your order.

For the Auction items, enter your bid in whole dollars in the Bid column. It must be at least as much as the dollar value shown in the Reserve column. If you wish, you can also add the maximum you are prepared to pay for the item in the Max Bid column. The Auctioneer will advise you, preferably by email, of the auction items where your bid was the highest, and the total value of your order.

Despatch: Distribution List items will be despatched by the Distribution Officers who hold the stock of the items ordered. Auction items will be despatched to successful bidders by the Auctioneer after payment has been made.

Payment: All payments and account balances are handled by the AATTC Treasurer.

The preferred method for payment is for you to maintain a credit account with AATTC. Your Distribution List and Auction costs can be deducted from this account. You can top-up the account by direct deposit to AATTC at Westpac: BSB 034 083, account number 16 3088.

You can also pay by cheque or with postage stamps, sent to AATTC Treasurer, PO Box 21, Yea, Vic 3717, or by PayPal to aattc.do@hunterlink.net.au.

If you submit items for inclusion in the Distribution List, you can claim the costs of sending them to a Distribution Officer. The value of these costs is added to your credit account.

A discount of 5% for AATTC members is applied to Distribution List orders over \$10 and Auction orders over \$30.

Specific Instructions for the AATTC Auction

All values are in whole dollars.

For the items of your choice, write your bid in the 'Bid' column. This bid will be accepted if there are no higher bids in this column.

You can enter the maximum you are prepared to bid in the 'Max Bid' column. If your initial bid is beaten, this bid will be considered.

The highest Max Bid will then be accepted, and the item will be sold at that price.

If there is more than one equal bid, each bidder will be contacted by the auctioneer, preferably by email,

and given the opportunity to nominate or raise their maximum bid.

Initial bids must be submitted by 27 January 2013 (this is a week later than normal due to the Christmas Holiday printing delays).

Payment must be made within 7 days of advice that your bid has been accepted, otherwise the bid will lapse.

You can submit items for inclusion in future Auctions - please contact the Auctioneer beforehand.

Please include a list of the items submitted, and whether as a vendor or as a donation. Vendors receive 75% of the successful bid value.

Vendor payment is made to your bank account, or can be credited to you AATTC Distribution Service account.

The topic for the February 2013 Auction will be 'Suburban bus timetables from Sydney and elsewhere'.
