**Specific Instructions for the AATTC Auctions**

All values are in whole dollars.

For the Lots of your choice, write your bid in the 'Bid' column. It must be not less than the amount shown in the Reserve column.

If this is the only bid for a Lot, you will pay this price.

If there are multiple bidders, but no Alternate Bids for a Lot, the Lot is sold to the highest bidder at that price.

You can enter an Alternate Bid that you are prepared to pay in the 'Alt Bid' column.

If there is more than one bid for a Lot, the Alternate Bids are considered, and the item is sold to the highest Alternate Bid at that price.

All bid values include the cost of postage to the successful bidder.

If there is more than one equal bid, each bidder will be contacted by the auctioneer, preferably by email, and given the opportunity to raise their bid.

Initial bids must be submitted by **20 May 2013**.

Payment must be made within 7 days of advice that your bid has been accepted, otherwise the bid will lapse.

You can submit items for inclusion in future Auctions - please contact the Auctioneer beforehand.

Please include a list of the items submitted, and whether as a vendor or as a donation. Vendors receive 75% of the successful bid value.

Vendor payment is made to your bank account, or can be credited to your AATTC Distribution Service account.

The topic for the June 2013 Auction will be **Country and Interstate Bus and Coach Services**.
