## Do Not Throw Away Old Timetables

Old timetables can be a valuable asset for the AATTC Auctions, Distribution Service or the National Timetable Collection. If you have old timetables that you want to discard, please contact AATTC first. Len Regan, 03 5797 2493, aatc.do@hunterlink.net.au, will help you decide where best your old timetables can be deposited.

## Information and Instructions

### Distribution List:

**Orders:** Send your order to Distribution Manager **Peter Hobbis** either by post to **17 Louise Crescent, Morphett Vale, SA 5162** or by email to **peterhobbis@gmail.com**.

Please make sure that it is clear which item numbers you are ordering. If an item is available in both file and print versions, as shown in the right hand columns, please clearly indicate which version you want. Files are normally sent by email, but can be posted on a CD for an extra \$2.50.

Please include an email address or phone number so that Peter can check any order details if necessary.

Peter will forward your order to the Distribution Officers who hold the stock for the items ordered, and they will despatch the items. Their codes are shown in the first column of the Distribution List.

Please contact Peter if you do not receive your order within two weeks for email orders or three weeks for postage orders.

Payments attached to orders will be forwarded to the Treasurer.

**Costs:** Each item is allocated a number of cost points, each worth 25 cents. Add up the cost points for the items you order, and divide by 4 to work out the total dollar value of your order. The cost of packing and postage is included in these costs.

AATTC members get a discount of 5% for Distribution List orders for over \$10, and 10% for orders over \$30 subject to adequate coverage of costs.

**Codes:** Those in first row of an item relate to whole item. Codes in other rows relate to the document in that row.

### Auction:

**Bids:** Send bids to AATTC Auctioneer **Geoff Hassall** by post to **19 Yara Cr, Maryland, NSW 2287**, or by email to **geoffrey.hassall@gmail.com**.

All values are in whole dollars. Initial bids must be received by **the 20<sup>th</sup> of each month**.

For the Lots of your choice, write your bid in the 'Bid' column. It must be not less than the amount shown in the Reserve column.

If this is the only bid for a Lot, you will pay this price.

If there are multiple bidders, but no Alternate Bids for a Lot, the Lot is sold to the highest bidder at that price.

You can enter an Alternate Bid that you are prepared to pay in the 'Alt Bid' column.

If there is more than one bid for a Lot, the Alternate Bids are considered, and the item is sold to the highest Alternate Bid at that price.

If there is more than one equal bid, each bidder will be contacted by the auctioneer, preferably by email, and given the opportunity to raise their bid. The Auctioneer will advise you, preferably by email, of the auction items where your bid was the highest, and the total value of your order.

AATTC members are given a discount of 5% when the total of successful bids is more than \$30.

The **cost of packing and postage** to the successful bidder is **included** in the **Auction bid values**.

Payment must be received within 7 days of advice that your bid has been accepted, otherwise the bid will lapse.

Auction items will be despatched to successful bidders by the Auctioneer after payment has been made.

The topic for the October 2013 Auction will be **Train Working Timetables**.

### Payment:

All payments and account balances are handled by the AATTC Treasurer, Len Regan.

Payments can be made:

- with postage stamps (any denominations)
