- 5. If identical highest bids are received for a Lot, bidders will be offered the opportunity, by email or by phone if necessary, to resubmit their bid.
- 6. If there are multiple copies of a Lot, the first, and best, copy goes to the bidder under the rules above. Subsequent copies are allocated to other bidders at their bid price in the order of the highest bids.

The Auctioneer will advise you, preferably by email, of the cost of auction lots where your bid was successful, any applicable discount, the additional cost for the packing and postage, and the total cost of your order. This will be done as soon as practicable after the closing date for bids.

Advice will also be sent to any unsuccessful bidders.

ATA members are given a discount of 5% when the total cost of successful bids is more than \$30, calculated to the nearest 5 cents. Auction items will be despatched to successful bidders only after payment has been received.

Lots submitted by vendors which are unsold will be allocated to the National Timetable Collection or the Distribution List unless the vendor requests their return.
